Overview

Following ACC's Notice of Intent (for Health Solution/s for Detecting and Preventing Harm Events), ACC is now publishing this Registration of Interest for a Wellbeing Solution/s for Detecting and Preventing Harm Events.

The purpose of this Registration of Interest (ROI) is to understand the supplier market and the range of wellbeing solutions that can identify indicators of probable future harm and support stakeholders (kiwis, healthcare professionals, and ACC) to proactively prevent harm from occurring.

(This ROI is the first step in a multi-step procurement process. Following evaluation shortlisted Respondent/s may be invited to submit a full proposal in response to a Request for Proposal (RFP). This document deals only with the first step, the ROI process).

Interested Suppliers are invited to refer to the Attachments section for ROI documentation.
