Overview

Brockville School has in recent years upgraded their administration and junior blocks to modern standards, however the Senior Block is in poor condition requiring significant upgrade. The Ministry of Education has deemed the existing Senior Block to be uneconomic to upgrade and therefore a replacement programme has been developed. The scope of work and staging is as follows:

- Stage 1 will be to demolish Block 4.
- Stage 2 - Construct 4 to 6 teaching spaces.
- Stage 3 – Junior Block (Block 1) replace windows and doors with new double-glazed units, patio.
- Stage 4 – Hall reclad and toilet upgrade (Block 6).
