## Overview

Central Hawke's Bay District Council wishes to notify prospective suppliers of a project opportunity consisting of five Separable Portions of drinking watermain and wastewater main renewal and upgrade work located on Porangahau Road and Racecourse Road, Waipukurau.

The proposed contract will initially award the first two Separable Portions on Porangahau Road to supply and install 455m of OD355 and 350m of OD315 drinking water main, and 520m of OD63 drinking water ridermain, including renewal of all drinking water laterals and boundary boxes between Gaisford Terrace and Lake View Terrace on Porangahau Road.

There is an opportunity for the right supplier to also carry out additional works noted as "Provisional" on Racecourse Road, consisting of three Separable Portions for supply and installation of 137m of OD400, 652m of OD250 and 24m of OD125 drinking water main, 306m of OD63 drinking water ridermain, including renewal of all drinking water laterals and boundary boxes (SP3), along with supply and installation of 1820m of wastewater main (expected sizes DN150, DN225 and DN300; quantities to be confirmed), including installation of 27 manholes and renewal of all wastewater laterals and boundary boxes (SP4 and 5).
