Overview

MFAT aims to procure the services of a supplier with the skills, expertise, and experience to undertake an external evaluation of New Zealand Ministry for Foreign Affairs and Trade (MFAT) Cook Islands Four Year Plan (4YP).

The purpose of this evaluation is to assess the achievements, coherence, and strategic direction of the New Zealand's development cooperation with Cook Islands during 2015-2021 period.

The evaluation will contribute to a stronger evidence base and deeper understanding of MFAT's impact contribution to Cook Islands development priorities over the period 2015-2021.
