Overview

The Board of Trustees for Waitoriki School, Inglewood, Taranaki are seeking a suitably qualified Main Building Contractor to carry out the alterations & refurbishment to their administration area.

The Contract Works required are: Create breakout area in order to provide a quiet multipurpose teaching space, allowing teachers an area of their own to take their breaks, it will incorporate a storage space to securely store their belongings. This will also allow for a learning space for groups of students to work in a tidier and more organised environment which will be dedicated to a learning area rather than a storage area.

Reconfigure the office and staffroom areas by extending the front of the current staffroom and principals office forward and in line with rest of the school building, making a larger staffroom, classroom breakout space and relocating the office to the front of the admin area.

All tender documentation and necessary information attached.

Contractors must visit site. Contact School Office to arrange a site visit.

Ideally dependent on MoE funding approval and contractor availability. This will be discussed with the successful contractor and school once funding and building consent approvals are confirmed.
