Overview

The Board of Trustees for Taoroa School, Taihape are seeking a suitably qualified Main Building Contractor to carry out the Alterations & Refurbishment to Block 1.

The Contract Works required are: The proposed work includes building an extension onto Block 1 which will enclose the open space between the existing classroom and library in order to provide a breakout space. This will involve opening up the exterior classroom wall and installing stacker doors or similar, between the two spaces allowing easy access and good vision. The removal and relocation of the existing wet area will be required to allow the wall to be removed. Provision for a new sink bench, storage unit and vinyl in new space will be required. Removal and reinstatement of worn window and door hardware. Replacement of existing exterior door. Installation of underfloor insulation. Replacement of existing heating to 3x areas of the block, like for like. Replacement of the floor coverings. Installation of Autex Composition wall linings. Installation of acoustic ceiling. Installation of new led light fittings, and fitting of extra power and data outlets.

All tender documentation and necessary information attached.

Contractors must visit site. Contact School Office to arrange a site visit.

Ideally dependent on MoE funding approval and contractor availability. This will be discussed with the successful contractor and school once funding and building consent approvals are confirmed.
