Overview

The University is inviting tenders to provide prescribed ongoing services (under a University-created Maintenance Services Agreement) covering:

** Planned and reactive maintenance services for Automatic (Sliding) Doors across the University of Auckland central campuses (City, Grafton, Newmarket, Epsom) with 1 Door in Whangarei;

** Planned and reactive maintenance services for (Automatic) Roller Doors across the University of Auckland central campuses (City, Grafton, Newmarket, Epsom) with a small number of Doors in Whangarei, on Waiheke Island and at Leigh.

Tenderers may submit tenders for one or both of (a) Automatic Sliding Doors; and (b) Automatic Roller Doors.

The contract will be for an initial 3-year term with the possibility of two contract extensions and a maximum term of 9 years, subject to meeting the University's performance requirements.

Relevant experience and suitable resource capacity to undertake the required services are a prime criterion.

The successful service provider shall be pro-active in managing, undertaking and monitoring the fulfilment of contracted Services and have the capacity, depth of experience, and a proven track-record for providing the required services to organisations of a similar size with similar Equipment.
