Overview

The Board of Trustees for Opiki School, Manawatu are seeking a suitably qualified Main Building Contractor to carry out the Refurbishment to Blocks B & C, Self Contained Toilet to Block D and Outdoor Learning Area to Block C.

The Contract Works required are: Block B Refurbishment: Convert existing Library into breakout area shared by classrooms 9 & 18, and remove internal walls to resource 13, creating one space. Create opening and install stacker doors. Create opening between Library/res 20 and classroom 18, and install stacker doors. In breakout areas install new wall linings, acoustic ceiling tiles, new lighting, additional power points, and RCD protection, new floor coverings and associated painting. Minor interior refurbishment to pupil's toilets. Block C Refurbishment: Open up wall between classrooms 1 & 2, and install stacker doors. Block D Pupils Toilet: Building extension with internal access, 2 x self-contained units, including ceiling and wall linings floor coverings partitions, and plumbing fixtures including warm water to hand basins. Block C Outdoor area: Create an outdoor learning environment.

All tender documentation and necessary information attached. Please note - for funding purposes from the Ministry of Education, Blocks need to be quoted separately and as per the tender summary's and quote page attached within the downloaded documentation.

Contractors must visit site. Contact School Office to arrange a site visit.

Ideally dependent on MoE funding approval this work would be started approx as soon as possible once confirmation of approvals are advised. This will be discussed with the successful contractor and school once funding approval is confirmed and availability of contractor confirmed.
