Overview

The Government Property Group (GPG) Office Furniture common capability contract is due to expire in February 2023. GPG intends to have a new office furniture solution established prior to the expiry.

This Advance Notice indicates to suppliers that a request for proposals (RFP) to establish the new solution is forthcoming and is intended to be published on GETS in late May-June 2022. The Advance Notice document (attached to this GETS listing) provides details about the scope, our objectives, and important information for the forthcoming RFP.

Please note that this Advance Notice is not a tender process - it is simply a notification to the supply market that a procurement opportunity is forthcoming, and provides some high-level details about the opportunity. Aside from subscribing to the Future Procurement Opportunity (FPO) which is the parent RFx of this GETS listing, you do not have to do anything. Any information sent to us will not be considered.

Further details about how to respond to the RFP opportunity will be included in the RFP document, which is intended to be released on GETS in late May-June 2022.
