Overview

This tender is for a partner to provide Digital User Experience (UX) Support to our Digital Services team as a flexible service or UX as a Service (UXaaS).

You are a reputable, industry leading NZ support partner. As a partner you will have a high level of experience and expertise in Digital User Experience (UX).

The partner is expected to provide a full spectrum of digital user experience capabilities (i.e., UX strategy and frameworks, user research, user testing, prototyping, interaction and visual design, information architecture, design systems, service design). The deliverables are typical of those delivered by a Digital User Experience practice.

The partner to be an active (or intend to be an active) supplier on NZ Government Marketplace - Collaborative Marketplace Agreement (CMA) for Consultancy and Professional Services. The contract will be as per the Marketplace terms & conditions.

The proposed contract is over a 3-year (1+1+1) term from August 2022 to August 2025 with an option to renew.
