Overview

We are delighted to be able to offer 10x DMU's that were built in Australia in Stainless steel. The 8x DMU's in service currently will be available from September 2022. Two of the 10x DMU's were removed from service when the EMU's were introduced. The two parked up are fleet no's 803 and 804 of which details of these can be found later in this document.

Please submit questions and offers through GETS.

Thank you.
