Overview

Hamilton City Council is seeking tenders from suitably experienced parties for the construction and reconstruction of roads and signalised intersection.

This project is part of the Rotutuna growth area. It provides a new roading connection between Kimbrae Drive and Horsham Downs Road - Borman Road West to Borman Road East, and upgrading the existing Borman Road East and Horsham Downs Road to reflect its minor arterial function. Additionally, improve safety of the Borman Road / Horsham Downs Road intersection with the implementation of traffic signals and raised pedestrian platforms. It also improves resilience to the rapid growth of development in the area.

There are four Separable Portions to Construct this Contract. The reason behind this is to construct under live roads and green field roads.

Duration of this project is 18 months.

Tenders close at 2.30pm on 21st July 2022 and are to be uploaded to the electronic tenderboxes.

Lowest or any tender not necessarily accepted.
