Overview

THE OPPORTUNITY

What we need

QLDC are seeking to remediate selected sports fields in the region to offer improved irrigation, drainage and turf.

- Irrigation
- Drainage connections
- Upgrade soak pits where necessary
- Reinstatement of cricket pitch and wicket
- Reinstatement of topsoil and grass seeding

An experienced civils main contractor is required to successfully undertake and deliver the above objectives.

What we don't want

We are not looking for pricing for portions of the works mentioned above and the contractor must be able to deliver the entire scope of works and evidence of this will be required. We do not want contractors who cannot accept the terms and conditions of the tender and QLDC's Contractual Agreement as well as all legislative requirements including full compliance with Health and Safety procedures.

What's important to us

QLDC is looking for credible providers with the capability, capacity, experience and teams to deliver an excellent space for use and enjoyment by the community. A solid track record will need to be demonstrated of similar undertaking and have effective networks and strong relationships within the local community.

Why should you bid?

This is an opportunity to play a part in the development of a key Queenstown CBD location and focal point for both local residents, national and international visitors and the improvements will serve to benefit and enrich the lives of the users as well as the local businesses.

A bit about QLDC

QLDC is the local authority for the Queenstown Lakes District and is responsible for a wide range of sport, recreation and open space facilities around the district that provide opportunities for the local community and visitors to get active and enjoy what the region has to offer.

Interested? What's next?

We intend to go to market in July 2022; the procurement will be a single stage open tender. The opportunity will be advertised on the Government Electronic Tenders Service (GETS) and all communications regarding this procurement opportunity must be via the GETS portal.
