Overview

This RFP is issued by Hauraki District Council, for the design and construction of a ramp access for the public swimming pool in Ngatea. There are two pools in Ngatea, located within the Hugh Hayward Domain. The main pool is about 32 meters long and it also has a small learner's pool. This project is for design and construction of a permanent ramp access for the main pool. The ramp for the Ngatea swimming pool will lead from the poolside into the pool for access to the water.
