Alternate Physical Delivery Address :	
Alternate Physical Fax Number :	

Overview

We are looking to improve and automate our Resource Consent application process and are seeking information to identify what products may be available for use in the New Zealand market. This information will help inform our procurement process.

We need to understand:

- The benefits that are to be gained.
- The breadth of functionality available.
- The technology solution used.
- Indicative pricing.
- Indicative resourcing required from us.
- Other implementation sites.
