CONSULTANCY SERVICES TO PROVIDE INDEPENDENT REVIEW OF FUNDING FOR SCHOOLS

The Cabinet Office, on behalf of the Council of Ministers, requests proposals from suitably qualified and experienced advisors to undertake a review of the funding for the Island's schools.

The Department of Education Sport and Culture (DESC) has responsibility within the Isle of Man Government for operating a fully inclusive policy of education and operational delivery of the majority of the educational establishments. This includes 32 Primary Schools, 5 Secondary Schools and the University College of Man (UCM) which provides post 16 education and vocational training.

For 2021-22 the Department had a net spending budget of £109m, of which £64m relates directly to Primary and Secondary education, with a further £12m to UCM. Whilst the UCM is not within the scope of this review to examine the higher and further education elements of the UCM, it is important to consider the post 16 elements. Further details are available once you have opted in to the procurement.
