

A new indoor sports hall purpose built for Futsal

Detailed description:

This project involves the construction of an indoor hall for the purposes of playing Futsal. The building has been purposely designed and sized for Futsal and will accommodate an international sized futsal court. the building is 46m x 26m in plan. 3.6m to Eaves and 6.5m to ridge. The futsal court is 38m x 18m. It will be a steel portal frame construction with insulated cladding panels to the roof and walls. There are no ancillary rooms. Players will have use of Balbriggan FC's existing clubhouse for changing rooms, showers and toilets. There will be 4no. fire exit doors from the building.
