

## Strokestown Town Centre First Plan

### Detailed description:

The vision for Strokestown is to rejuvenate the town as a unique cultural, tourism and heritage destination through the further development of its physical, economic and social infrastructure. The realisation of this vision will be fostered through the development of the TCF Plan. The development of the TCF Plan will create a pathway for the revitalisation and rejuvenation of Strokestown which, if harnessed and channelled appropriately, can unlock the towns abundant potential. With investment in the right locations and at the right time, the town can move towards establishing itself as a vibrant and distinctive destination which brings people and business closer together, underpinned by the strength of existing community spirit in the town.
