

Renovations & Alternations to Residential Dwelling

Detailed description:

Avista began as the Daughters of Charity Disability Support Services. Avista provides a broad range of vital and responsive support services, led by the preferences, and needs of individuals, in order to live their best lives. The organisation delivers services in Dublin, Limerick North Tipperary, and Offaly to both adults and children with intellectual disability and/ or complex support needs. Striving to be a person-centred service we always seek to put those who use our service at the centre of all our plans and activities. We are also striving to develop and deliver a wide continuum of supports that are community based and socially inclusive, they are delivered in accordance with our core values and ethos and are underpinned by quality, best practice, and research. Avista has a current requirement for renovations, alterations and associated external works to existing single story residential dwelling (205m2) in the community located at no 1 Belgree Court Kilbride Co Meath. Please consult the published documentation for full details of this project and competition.
