

Strokestown, Bawn St Public Realm & Town Park

Detailed description:

The Project aims to create a functionally diverse reimagined Public Realm in Bawn St, Strokestown, Co Roscommon to include the following: • Creation of a truly memorable threshold to Strokestown Park House recognising the traditional/period character of the house and be sympathetic to this in terms of materiality and style. • New Public Lighting, street furniture and landscaping in line with the above objective • Spaces for events and festivals and outdoor dining • Off-street parking and shared pedestrian areas. The project also includes the design of a new Town Park which will serve as a natural gathering space for all ages with pedestrian links back to the town.
