

Multi Supplier Framework Agreement for the Provision of Laboratory Analysis Services in support of Geological Survey Ireland's "Irish Construction Materials" Project: Concrete Products

Detailed description:

The Minister for the Environment, Climate and Communications (the "Contracting Authority") invites tenders from economic operators ("Tenderers") for appointment to a Multi-Supplier Framework Agreement for the Provision of Laboratory Analysis Services in support of Geological Survey Ireland's "Irish Construction Materials" Project: Concrete Products. Geological Survey Ireland a division of the the Department seeks tenders for inclusion in a multi supplier framework to provide testing and analytical services as requested during a potential 4 year term framework. The bulk of services contracted under this framework will provide analysis and testing on concrete products, including accelerated aging tests and risk analysis of sulphide bearing products.
