

Louth County Council Mount Avenue Link Road

Detailed description:

It is proposed to construct a new link road which will consist of widening the northern part of the existing Mount Avenue Road and the construction of approximately 700m of new road through a greenfield site before joining the R178 again by means of an existing access road to the Lis Na Dara Housing estate. The central / northern end of the existing Mount Avenue road beside the ESb substation will become a cul-de-sac after Ard Easmuinn Road as part of the works.
