

ISO Energy and Environmental Certification

Detailed description:

Bus Éireann require the services of a suitably competent ISO Certification body to provide external auditing services to Bus Eireann over a 3 year period (with potential to extend for a further 3 years). The company is seeking retention of existing and new ISO certifications primarily in Energy 50001 and Environmental Management systems 14001 with a potential to integrate ISO 45001 Occupational Health and Safety. The scope of the audits will cover Bus Eireann operational and maintenance activities encompassing both the Engineering and Operations Department at up to 17 BÉ Depots and Stations nationally.
