

## **To develop Community Biodiversity Action Plans**

Detailed description:

Monaghan Integrated Development are seeking to engage a qualified Consultant/Consultancy team to work with up to 12 local community organisations to develop biodiversity plans for each community/area/village. Each plan is to be designed unique to each group's situation and fit for purpose within each community setting. The plans will allow for biodiversity to be developed within local areas and will ensure measures are put in place to negate risk and maximise the benefits for the local environment. Building the capacity of community organisations to develop and maintain biodiversity sites/projects is also a key aim of the project.
