

Vessel berthing services for BIM's diver training barge at Bere Island, County Cork.

Detailed description:

An Bord Iascaigh Mhara, a semi-State agency, wishes to invite tenders for berthing services of its diver training barge at Bere Island, County Cork. The primary purpose of this tender is to provide safe, secure shore side berthing, of its diver training barge for a period of 52 weeks per annum, commencing on 20 June 2022. The proposed facilities must ensure an adequate shore power supply, and direct access to the shore. Please refer to the enclosed Request for Tender (RFT) documentation for further information.
