

SEATING AND TRIM

Detailed description:

Dublin Bus wish to appoint a contractor to maintain the seating and trim requirements of their fleet of approximately 1000 double deck buses. The fleet size may increase/decrease during the term of the contract. The main requirement is to refurbish and re-upholster the seating and trim. It will include collection and delivery of trim and components to and from eight Dublin locations. The contract will operate as a single party framework agreement for a period of three years with an option to extend for a further two periods of twelve months. The advertised approximate value of €5.9M includes all extensions.
