

Educational Support Worker Service for SETU Carlow & Wexford Campuses

Detailed description:

South East Technological University (SETU) is a Higher Education University that offers academic programmes to full and part-time students in the South East. The Student Support Services at SETU provides a broad range of high quality support services and activities for registered students of the University. Supports to specific groups of students, such as students with disabilities, are provided by the University Disability teams in addition to specialist contracted supports provided when required. In order to provide supports for students with disabilities, SETU is currently seeking tenders for the provision of Educational Support Worker (ESW) services to include delivery on the Carlow and Wexford campuses if required.
