

Soft Market Testing: Housing Management System

Buyer: Newark & Sherwood District Council

Description:

This is not an invitation to tender process, and consists of a soft market testing questionnaire. Please note all information provided is indicative and for information purposes only.

Newark & Sherwood District Council (the Council) is undertaking a soft market testing exercise, to allow interested organisations with appropriate experience to outline their views and ideas about the future provision of a cloud-based social housing management system, which will need to support application, tenancy and repairs management functionality.

The Council will consider the responses received as a result of this exercise to help inform the options appraisal and the decision-making process.

Responses should be submitted via ProContract messaging function by 12:00 noon Thursday 14th April 2022; respondents will then potentially be invited to attend a demonstration (if offered) at any point from the date they submit this document.
