

BE BOLD NEET PROJECT 2022 - PQ0353

Buyer: Birmingham City Council

Description:

Birmingham City Council ('the Council' or 'BCC') is seeking to appoint an appropriately skilled delivery agent for a bespoke project for young people who are currently not participating in education, employment or training (NEET); responding to the national, and local challenge to re-engage NEET young people in particular where the city's numbers peak at 17-years old. This project is to be delivered between May and November 2022 alongside The Birmingham 2022 Commonwealth Games ('B2022' or 'the Games') build-up and delivery period. This project is part of collaborative investment in the Games Learning Programme, and the national Legacy Plan sets out the aims: 'We hope this will help young people, their families and supporting adults to: Access unique ways to participate in the Games, including through sport and culture. Raise aspirations and create an increased sense of purpose. Accelerate awareness of and improve mental wellbeing. Encourage increased physical activity and exercise, and group participation. Gain new skills and enhance experience and enjoyment of education. Gain access to Games related skills and employability opportunities' The delivery provider will provide training for the various elements of the Project Learning Programme. Please note consortium bids can be accepted if legally constituted (informal partnerships will not be accepted). Sub-contracting for elements of specialist provision is allowed if shown to be feasible in the timescales and delivers value for money. Use of existing provision is encouraged if it meets the specification for flexible person-centred provision. The recruitment of young people to the project must commence in May 2022 continuing through June and July. Delivery of flexible learning programmes will be over the six-month period of mid-May to mid-November so young people can progress onto further opportunities between July and November 2022, depending on the length of support provided on an individualised learning plan basis (which can include group work). The delivery provider must conduct an appropriate and engaging (for example co-produced) skills assessment with the young person, including soft skills, at the entry point and deliver activities, qualifications, information, advice and guidance and progression support to meet individual needs. All of the young people engaged must be NEET. The Council will be using its free to use e-tendering system (in-tend) for the administration of this procurement process and potential suppliers must register with the system to be able to express an interest. If you wish to express an interest in this opportunity please click on the following link to access <https://in-tendhost.co.uk/birminghamcc/> and submit your details to register. You will then be sent details on how to log on which will enable you to download all relevant quotation documentation. If you are unable to register with In-tend or have any questions or problems on how to use this website please either email us at: cps@birmingham.gov.uk or call CPS Helpdesk on 0121 464 8000. Your completed quotation submission should be returned by noon on 11th April 2022 via the 'in-tend' system <https://in-tendhost.co.uk/birminghamcc>
