

## **Construction Related Multi-Disciplinary Services - Construction Project Management Services**

Buyer: Royal Borough of Greenwich

---

**Description:**

The Royal Borough requires the information sought in the Response Documents from Suppliers responding to the opportunity to tender to provide consultancy services (excluding QS) for works to and involving concrete repair works & flat roof replacement work at the Calderwood Street Car Park.

Calderwood Street Car Park, 9 Monk St, London SE18 6QW is a multistorey concrete frames building which was constructed c.1970s. It currently serves as a car park for residents of the adjacent Vista Building, RBG staff, Sainsburys customers and general visitors. Calderwood Street Car Park comprises a multi storey carpark with ground and five upper levels. These upper levels are split levels with one side of the carpark being half a level higher than the other, the top level is level 11. There are currently various section within the car park where the concrete has blown from rebar spawling, I would advise you to visit site prior to collating your bid
