

Funding opportunity: Create a national research facility for ion beam

Buyer: Engineering and Physical Sciences Research Council (EPSRC)

Description:

Apply for funding to support the creation of a national research facility for ion beam.

You must be a UK resident based at a UK institution eligible for EPSRC funding.

EPSRC will support the facility with a five-year grant which will undergo a mid-term review at the two and a half to three-year stage. Funding will not cover the full costs of the facility.

Up to £2.4 million of funding is available. You will need to demonstrate in your application that the facility will be:

able to earn some income from non-UKRI sources

financially sustainable at the end of the funding period.
