

Llanthony Road (Gloucester South West Bypass) Carriageway Widening and Cycleway Scheme - Spinnaker Junction to Llanthony Road / A430 Merge

Buyer: Gloucestershire County Council

Description:

This notice relates to a market engagement exercise only and is not a call for competition at this stage.

This advert is intended to notify potential suppliers of the upcoming tender for Llanthony Road (GSWB) Carriageway Widening and Cycleway Scheme, between Spinnaker Junction and Llanthony Road / A430 merge. The site is found to the east of Gloucester near Llanthony Priory (approx. postcode GL2 5JH).

This scheme will improve vehicular capacity along the GSWB, which is a strategic link from the M5 and is the primary route network south of Gloucester to the A417 west of Westgate Bridge. Alongside the introduction of additional running lanes both north and south, the scheme will also introduce a fully compliant LTN 1/20 cycleway as well as a shared use path on the west side of the carriageway. As part of these works existing junctions at St Ann's Way, Spinnaker Road, Submeadow Road and Hemmingsdale Road are also subject to improvements.

This contract is looking for a Principal Contractor to deliver the construction phase.

Construction Phase key Deliverables are as follows:

- Provide suitable Traffic Management during the construction works.
- Pedestrian access to local residents at all times during the construction works.
- Utility diversion works (being arranged by GCC for PC to liaise/accommodate).
- New drainage attenuation works and tie-in to existing.
- Remove existing and install new kerbs to match new alignment.
- Carriageway, Cycleway and new shared use path construction.
- Traffic Signal and Street Lighting upgrades.
