### Description:

Document Type : Prior information notice without call for competition Title : Market Sounding for the Provision of a Common Data Environment (CDE) Reference Number : Sport Ireland 84 Contract Type : Services Estimated Value : 100000.00 - EUR Description : Sport Ireland are considering going to tender for the provision of a Common Data Environment (CDE) for the purposes of development of the campus masterplan and associated construction projects. Sport Ireland wishes to conduct market soundings with service providers who would be interested in such a tender process. In December 2020 Sport Ireland completed the first phase of a masterplanning process that provided a framework for the onward development of the 520 acre Sport Ireland campus in Blanchardstown Dublin 15. The masterplan document sets out a 15-year development plan, with the buildings highlighted in this document representing our immediate requirements. To progress our plans, Sport Ireland requires a Common Data Environment to assist the project management of delivering the vision, values and objectives set out in this ambitious masterplan. 72322000 - Data management services 48311000 - Document management software package 48311100 - Document management system 48613000 - Electronic data management (EDM) 71530000 - Construction consultancy services 71540000 - Construction management services 71541000 - Construction project management services 72212311 - Docu...
