

## Heating Upgrade Works

Buyer: Abri

---

Description:

Abri requires experienced contractors with suitable capacity to carry out electrical off peak heating upgrade works in excess of 600 of our properties (split into lots). These works will be mainly in occupied properties across the PO, SO and GU postcode areas of Abri operational area. The works will involve the isolation and removal of the existing heating system and the installation of New Dimplex High Heat retention storage heaters throughout the property.
