

NOTCA - Community Engagement and Crowd Funding Platform

Buyer: North Tyneside Council

Description:

In Autumn 2020 NTCA ran their first Crowdfund North of Tyne programme, offering small grants for community-led economic resilience projects. Crowdfunding works by encouraging projects to raise a proportion of their funding via direct donations from people, groups and businesses. NTCA matches these investments with additional 'pledges' for good projects which meet our aims of a more inclusive economy. NTCA is seeking to appoint a contractor which will be responsible for the delivery of the Crowdfund North of Tyne
