

Request for Solutions (RFS) Lyophilized Pathogen Reduced Cryoprecipitate Prototype Manufacturing Advancement (Lyo-Cryo) Project

Buyer: W6QK ACC-ORLANDO

Description:

The Lyophilized Pathogen Reduced Cryoprecipitate Prototype Manufacturing Advancement (Lyo-Cryo) Project Request for Solutions (RFS) is a solicitation for prototypes. Please note, this RFS is NOT associated with the Cornerstone Consortium and is being issued through a collaborative effort between Industrial Base Analysis and Sustainment (IBAS) program, Program Executive Office (PEO) for Simulation, Training, & Instrumentation (STRI) and Army Contracting Command (ACC) – Orlando. The Government will be accepting questions related to the RFS. The Government intends to provide any responses as soon as possible.

Question respondents are advised that the U.S. Government will not pay for any information or administrative costs incurred in the submission of questions to this Draft RFS; all costs associated with question submissions to this RFS will be solely at the respondent's expense.

Questions to this RFS must be submitted to lindsay.r.jaime.civ@army.mil, using Attachment 2 Vendor Questions Form. A closing date for questions will be identified in the RFS.

Please note, the intent of releasing this RFS is to provide notice of an OTA effort under the IBAS program. The RFS is being issued in accordance with 10 U.S. Code § 2371b.
