

Provision of Media Monitoring Services

Buyer: Food Safety Authority of Ireland

Description:

This is a contract for the provision of Media Monitoring Services to the FSAI. The successful Tenderer will be required to send morning and afternoon email alerts to FSAI staff containing media and broadcast alerts daily. The email alerts should contain relevant news. The subscriber database will be maintained by the successful Tenderer and all media alerts should be accessible via their online portal. The portal should facilitate keyword search. It should also allow the creation and exportation of reports, as required. Please refer to the enclosed Request for Tender (RFT) document for further information.
