

Abri's Good Grub Club

Buyer: Abri

Description:

Abri are seeking the provision of a 'Good Grub Club' service in 10 of our community investment zones (CIZs). We know that many of our residents have challenges around food security and holiday hunger, the ability to shop efficiently and healthily, and the ability to provide healthy meals for themselves and their family. This is particularly the case in our designated community investment zones. We have been providing services in some CIZs using internal resources and are now looking to widen the service into all CIZs. The service to be delivered focuses in the main on families and providing a school holidays service, but we are also looking for innovation in online services/shared resources for all those in Abri tenancies and the provision of additional term time services to children and those living alone without experience cooking for themselves. We are seeking to provide people with the resources, skills and confidence to provide high quality and nutritionally balanced meals to themselves and their family, within their budgets. And as with everything Abri do, we would like the service to also increase the sense of community, include elements of fun, and reduce feelings of helplessness or isolation. The service should be made available to the whole community, with a specific focus on including those Abri residents living in the local area. Lot opportunity structure for our operating area: LOT1 CIZ 4 - Clewer and Dedworth LOT2 CIZ 5 - Gosport LOT3 CIZ 6 - Weymouth - Littlemoor/Carlton Road North LOT4 CIZ 7 - Mansbridge LOT5 CIZ 8 - Millbrook LOT6 CIZ 9 - Portsmouth (Charles Dickens) LOT7 CIZ 10 - Salisbury (Longhedge) Lot 8 CIZ 11 - Whitehill and Bordon Lot 9 CIZ 12 - Yeovil Lot 10 CIZ 12 - Chard
