

Monitoring and Evaluation of School Improvement Activity

Buyer: Coventry City Council

Description:

The existing service has been supported through a Dynamic Purchasing System since September 2016, with providers monitoring and evaluating school improvement activity across all schools in Coventry. Scheduled monitoring and evaluation visits are made to individual schools to evaluate the appropriateness of their actions for improvement with all outcomes recorded on a formal Record of Visit (RoV) and submitted to School Records of Visits (SchoolRecordsofVisits@coventry.gov.uk) for ratification and approval. This is a new DPS for the existing requirement.
