Buyer: Department for Education

The Department for Education has provided over 1 million tutoring courses since the launch of the National Tutoring Programme in 2020. We are seeking to build on this for Academic Years 22/23 and 23/24 by giving schools greater freedom to design and deliver a tutoring offer that meets the needs of their pupils, alongside making the programme simpler and more flexible.

The Secretary of State for Education via Department for Education (the Authority) is undertaking a procurement to appoint a contractor, for the provision of this element of the National Tutoring Programme.
