

22 036 Care at Home (Domiciliary Care) Adults - market engagement events

Buyer: Cheshire East Borough Council

Description:

This is an opportunity being advertised by Cheshire East Council as we would like to invite Care at Home providers to participate in a Market Engagement group meeting, these events will be held at venues in Crewe, Macclesfield and there will also be one online meeting. The Council are hosting 3 events during May, which it is hoped, should ensure that anyone who currently works as a Care at Home provider and / or wishes to tender for the Cheshire East Care at Home service from 2023, can take part. The events are being run as part of the new commissioning project, as a means of consulting with various Care at Home stakeholders to help shape the recommissioning of Care at Home services for residents of Cheshire East. It will also provide a forum to co-produce elements of the service delivery model and contract management processes, as we seek to find and implement solutions to common problems experienced by the sector. Please register on the Chest and express your interest in this opportunity in order to access further information about the events, organisations wishing to attend should please complete the reply slip and return this via the messaging area of the Chest by 18th May 2022.
