

Provision of Logos, Branding, and an Animation to support the delivery of the Hull City Council - Hull District Heat Network

Buyer: Hull City Council

Description:

Hull City Council are putting forward a bid to the Green Heat Network Fund with the ambition of developing a District heat network that will deliver clean heating to buildings within Kingston upon Hull city centre, and further afield. This is a key project for the Council with Heat Networks being an effective way to reduce carbon emissions and improve heat security. The objective of this project is to produce items that the Council can use and add to a new website page which will aid in raising the profile of the Hull District Heat Network. The items we require include: • Produce a series of logos/ branding • Animation clip Outputs required from this Commission: Logos & Branding To produce at least three logos with accompanying branding which relate to the nature of the project, animation, and website page for the following term 'Hull Energy'. Animation To produce an Animation with a Time length of no more than 5 minutes total duration. The animation will need to include a mix of geographical and technical animations to highlight the processes and scale of the project whilst being easy to understand and engaging. The intention is to appoint the successful supplier swiftly, in early May 2022, so that they can produce the Animation element of the commission by no later than 23rd May 2022.
