### **Description:**

View Changes AMENDMENT 0001: The purpose of this announcement is to post Amendment 0001 to the SIR. Amendment 0001 is being issued to extend the proposal due date. Answers to vendor questions will be provided via a future amendment. The proposal due date is extended to May 25, 2022 at 1700 EST.

The purpose of this announcement is to post the Screening Information Request for the Information Technology Innovative Procurement for Strategic Sourcing Procurement. This procurement is in support of the Federal Aviation Administration (FAA), Office of Finance and Management (AFN), Information and Technology Services (AIT), Contract Strategy and Support Division (ASP-400).

ITIPSS is a new multiple-award Indefinite Delivery Indefinite Quantity (IDIQ) contract vehicle for the acquisition of Information Technology (IT) services and solutions for all FAA/AIT, non-National Airspace System IT mission support. The scope calls for a wide-range of expertise in multi-disciplinary IT-related service solutions to support AIT in meeting its goals to evolve ongoing programs and implement innovative solutions in support of the FAA's overall strategic initiatives, including support for future application and technology modernization efforts that are adopted by the Government to improve enterprise-wide business systems. AIT will utilize ITIPSS to streamline the contract process by competing and awarding Task Orders over the anticipated 10-year period of performance. See SIR attached below for further details.

The North American Industry Classification System (NAICS) code is 541519 Other Computer Related Services and the size standard is \$30M.

Proposals are due no later than 5:00 PM EST on April 29, 2022. Please see attached SIR for proposal submission requirements. Questions are to be submitted, in writing only, as specified in the SIR. Questions will be answered in an Amendment to the SIR if deemed necessary and posted to SAM.Gov for all interested parties to consider. Prospective Offers are encouraged to frequently visit SAM.gov for any updates to this requirement.
