

St Olave's Grammar School ICT Tender 2022 (Orpington)

Buyer: Procurement for Schools Ltd

Description:

St Olave's Grammar School ICT Tender 2022

Goddington Lane, Orpington, Kent, BR6 9SH

Scope of ICT requirement:

To provide a support, hardware and maintenance service for Saint Olave's Grammar School ensuring the smooth operation and any future upgrades of ICT networks whilst providing best value within the market. Saint Olave's Grammar School is offering suppliers the opportunity to implement and maintain all technical areas of the School IT systems. This will include the development of new products and innovations that will advance learning within the School curriculum.

The provider will be expected to supply high quality support and take responsibility for the school administration system, including servers, workstations, laptops, mobile devices, tablets and software. It is expected that the chosen supplier/s will have the highest technical and customer service standards along with the ability/willingness to use their technical and industry contacts to work in true partnership with the School. Please download the Specification within the ICT tender pack for complete spec of requirements our client is seeking to procure. Please contact Mike Newell (Managing Director) at Procurement for Schools for more detail and support.
