

## **Safety and Mission Assurance (SMA) Engineering and Technical Services (SETS) Final RFP**

Buyer: NASA GLENN RESEARCH CENTER

---

### **Description:**

View Changes Amendment 1: April 15, 2022

The purpose of Amendment 1 is to incorporate the following changes to the SETS Final RFP:

1. Publish SETS Final RFP Questions and Answers.
2. Publish SETS Final RFP – Revision 1 incorporating the following changes:
  - Updated SF33 to change header title and page counts
  - Changed proposal due date as specified in item 7 below
  - Removed duplicate Emergency Preparedness and Response at C.2
  - Removed duplicate 1852.245-81 List of Available Government Property at L.21
  - Aligned Phase-In dates in B.2, L.29 (d)(B) MP4, and L.30
  - Removed Draft RFP marking in Section M header
  - Added OCI submission to L.32 Volume IV: Business Volume Instructions
  - Incorporated L.33 Notice of Potential Organizational Conflicts of Interest
  - Incorporated M.7 Prospective Contractor Responsibility and Special Standards
3. Publish Attachment J.1-B Statement of Work Appendices – Revision 1 incorporating the following changes:
  - Changed “will” statements to “shall” statements where applicable
4. Publish Attachment J.2-A – Historical Staffing – Revision 1 incorporating the following changes:
  - Changed “current customer support locations” to “position type”
  - Defined position types
  - Incorporated other minor changes
5. Publish Attachment J.2-B – Contractor Space and Support Location – Revision 1 incorporating the following changes:
  - Revised full attachment to better describe space available for contractor personnel
6. Publish Attachment J.2-C – Contractor Space and Support Location – Revision 1 incorporating the following changes:
  - Changed “Programmer Web Developer III” position title to “Programmer Web Based Developer III” to align with the Programmer Web Based Developer II position
7. Extend the proposal due date from April 22, 2022 at 4:30 PM Cleveland, OH Local Time to April 29, 2022 at 4:30 PM Cleveland, OH Local Time.

Original Posting: March 23, 2022

NASA Glenn Research Center hereby issues a Request for Proposal for the SETS requirement. This includes the following primary requirement categories: Administrative Support Services, Communication and Professional Development Services, Information Technology (IT) Services and Technical Knowledge Services. A full description of requirements can be found in Attachment J.1-A Statement of Work.

The following Attachments have been attached to this posting for review by interested parties:

SETS Final RFP and Cover Letter  
Attachment J.1-A – Statement of Work  
Attachment J.1-B – Statement of Work Appendices  
Attachment J.1-C – Government Furnished Equipment  
Attachment J.1-D – Data Requirements Document  
Attachment J.1-E – Guide to STEP  
Attachment J.1-F – 533M Sample  
Attachment J.1-G – 533 Sample Baseline  
Attachment J.2-A – Historical Staffing  
Attachment J.2-B – Contractor Space and Support Location  
Attachment J.2-C – Labor Categories and Descriptions  
Attachment J.2-D – Business Systems Reviews and Status Information Template  
Attachment J.2-E – SETS Cost Summary Template  
Attachment J.2-F – CAOT  
Attachment J.2-G – Past Performance Questionnaire  
Attachment J.2-H – Sample Mandatory and Required Training

The Government does not intend to acquire a commercial item using FAR Part 12. This acquisition is fully set aside for Woman Owned Small Business. The NAICS Code and Size Standard are 611430 “Professional and Management Development Training” and \$12,000,000.00 respectively.

All responsible sources may submit an offer which shall be considered by the agency. NASA Clause 1852.215-84, Ombudsman, is applicable. The Center Ombudsman for this acquisition can be found at [http://prod.nais.nasa.gov/pub/pub\\_library/Omb.html](http://prod.nais.nasa.gov/pub/pub_library/Omb.html)

It is the offeror's responsibility to monitor this website for the release of amendments (if any). Potential offerors are responsible for downloading their own copy of the solicitation and amendments (if any).

Prospective offerors are encouraged to notify this office of their intent to submit an offer. All contractual and technical questions must be submitted electronically to the Contracting Officer, Noah Garrison, via email at [noah.s.garrison@nasa.gov](mailto:noah.s.garrison@nasa.gov) no later than April 8, 2022 at 4:30 PM Cleveland, OH Local Time. Questions and comments will receive a response up to this date and may result in an amendment to this posting. Questions and comments submitted after this deadline will not receive a response. However, they may still result in an amendment to this posting. Telephone questions will not be accepted.

All proposals in response to this solicitation are due no later than April 22, 2022 at 4:30 PM Cleveland, OH Local Time. Late submissions will not be accepted. See "SETS Final RFP and Cover Letter" provision L.23 ELECTRONIC DATA SUBMISSION for instructions on how to submit a proposal.
