

Boatyard concrete slabs and drainage works 2022 Howth FHC

Buyer: Department of Agriculture, Food and the Marine

Description:

Upgrade of existing vessel servicing area in Howth Boatyard facility owned by the state and operated on behalf of the minister for agriculture, food and the marine by the Marine Engineering Division of DAFM. The existing asphalt surface has become life expired and requires the installation of new drainage lines, track drainage and circa 1000 sq.m. of multi bay concrete running slab and rail surround
