

CWC21095 - Supply and Installation of Audio Visual Equipment

Buyer: Wolverhampton City Council

Description:

Wolverhampton City Council (the Council) invites organisations to participate in an open tender exercise to establish a contract for the supply, installation and maintenance of audio visual (AV) equipment. The Council requires new and upgraded audio and visual hardware equipment to support City of Wolverhampton with its digital approach for collaborative working. The adopted new ways of working include the requirement and technology capabilities to communicate with colleagues and external customers in multiple locations via video conferencing. The expectation is that meeting spaces in the Civic Centre have functionality available to conduct hybrid audio and video meetings with heavy focus on the end user customer experience. Is the Council's intention to award the Contract to a single Provider
