

Book Spine Security Targets, Insertion Rods, and Custom Security Strips

Buyer: CONTRACTS SERVICES

Description:

View Changes Amendment 1: Changes testing requirements of the products.

This is a public competition held in accordance with FAR Part 13.

The Library of Congress seeks a Contractor to provide book spine insertion security target, insertion rods, and other book security devices (including a custom size) for the Library of Congress to secure its collections. A single-award IDIQ contract is contemplated for award.

Please see the attached document for the full solicitation.
