### **PURPOSE OF THIS ANNOUNCEMENT:**

This is a solicitation announcement for design and construction services as described within this announcement. Offerors are responsible for monitoring this website for changes to this notice. If you are interested in this contract opportunity, you can sign up for email alerts for updates by selecting to “follow” this opportunity at the top right on the SAM.gov announcement webpage (requires account login; see SAM registration details below).

### **INFORMATION ABOUT THE PROJECT:**

The US Army Corps of Engineers (USACE), Europe District is soliciting proposals for a design-build construction contract for the Renovation of the Kindergarten located in Voru, Estonia. The solicitation includes basic design criteria, and the USACE intends to award a resulting contract to a single design-build construction contractor that will complete the 100% design and construct the project. See solicitation attachments posted with this announcement for complete details associated with the scope of work and other requirements.

### **PROJECT LOCATION:**

The project site is located in the city of Võru, Estonia on the Vabaduse street 15A. The GPS coordinates are 57.845153, 26.997695. The site is 250 km from Tallinn, the capital city of Estonia.

### **PRE-AWARD SITE VISIT:**

Offerors are strongly encouraged to attend the site visit that is tentatively scheduled on 20 April 2022. Offerors must pre-register in advance. See the solicitation posted with this announcement for instructions and complete details.

### **HOW TO RESPOND TO THIS ANNOUNCEMENT:**

Proposals must be prepared and submitted according to the instructions within the contract solicitation (plus amendments). Full instructions on how to submit a proposal are within the contract solicitation (plus amendments). Please follow the instructions carefully. Please be sure to submit your proposal no later than the time and date specified in the solicitation (plus amendments). Interested offerors must submit a non-price proposal for evaluation in addition to a price proposal to be considered for contract award. #### SAM REGISTRATION:

Companies **MUST** be SAM registered to be eligible for award of any contracts for the US Government. See the solicitation posted with this announcement for instructions and complete details. The USACE Europe District has completed an Online Industry Day presentation that offers useful information for companies interested in doing business with us on design and construction projects, and it is posted to the USACE Europe District website at the following: <https://www.nau.usace.army.mil/Business-With-Us/Contracting/Industry-Event/>. The online presentation contains detailed information on how to register to do contract work for the US Government, how to read and understand a USACE solicitation, and how to do construction work for the USACE.
