

## **Repair, Maintenance and Demolition of Fire Service Training Drill Towers and Related Services**

Buyer: Buckinghamshire and Milton Keynes Fire Authority

---

**Description:**

Buckinghamshire Fire and Rescue Service are looking to appoint a supplier to undertake services in relation to repairing, maintaining, possible demolition or 'mothballing' of drill towers across the estate. This includes a variety of traditional construction types including structures consisting of construction materials of brick, concrete and steel. The duration of these works are to undertaken over the period September 2022 to August 2023. The successful bidder will be contracted to undertake the immediate approved works to 9 drill towers, with the remaining 6 still under review by the Authority as to the best course of action to meet future operational requirements. The successful contractor will be required to supply labour, plant and materials to carry out the programme of works in accordance with works identified within the technical works specifications and, structural survey reports provided in the tender documents. The contract value range is estimated £180,00-£315,
